

Miss. Poole's Grade 3 At Home Learning Choice Board (1/2)

Reading	Writing	Math	Phys. Ed.	Science	Social Studies	Wellness	Art/Music
Play Dreamscape or Squiggle Park for 1 hour (two 30 minute blocks).	Log into Typing.com and complete 3-4 lessons.	Play Dreambox for 1 hour (two 30 minute blocks).	Go outside and play for 30 Minutes.	Read through the 'Cloud in Hand' Experiment. Link found under ' Web Links ' on the teacher page. Follow along, test and observe!	Read through the 'Aboriginal Veterans Day' information sheet. The informative PDF is found under ' Documents ' on the teacher page. After reading, answer the follow up questions in full sentences. Remember to restate the question in your answer.	Aside from your school work - refrain from screen time today. Play a board game or cards instead.	Create a playlist of your favourite songs. Draw an album cover for your playlist.
Read for 30 minutes - Picture book, chapter book, comic book, magazine, etc.	Write 5 descriptive sentences using your spelling words. <u>Underline</u> your spelling word and <u>circle</u> the adjectives.	Answer the daily math riddle on Miss. Poole's teacher page. OR Try the <i>Rock and Roll</i> activity! Find the PDF under 'documents' on the teacher page.	Go for a long walk with your family, friends or neighbors. Explore somewhere new!	Construct a pillow fort. Create a plan before starting. Try and make it as big, tall and sturdy as possible. Send Miss. Poole a picture of your creation.	With an adult, read through the biographies of indigenous veterans Tommy Prince, Francis Pegahmagabow, Noel Knockwood and Edith (Anderson) Monture. Links are found under ' Web Links ' on the teacher page. Have a purposeful discussion behind what their service means.	Make playdough at home. Find the recipe under ' Weblinks ' on the teacher page. Be sure to follow the measurements very carefully.	Using recyclables and other materials around your house, create a homemade musical instrument. Use your imagination or check out the video under ' Weblinks ' on the teacher page.

<p>Log into Tumble Books and listen to a story/stories of your choice. After listening, take the book's quiz. Then, draw a picture that represents the story and write a short book review.</p> <p><i>Did you like or dislike this book - Why? Would you recommend this book to a friend? What was your favourite part?</i></p>	<p>With your spelling words, take part in 'Word Work'. <i>For example...</i> <i>*Rainbow Write</i> <i>*Make your words using Playdough</i> <i>*Write your words in flour/rice/sugar/salt/etc.</i> <i>*Create a word search with your spelling words hidden</i> <i>*Write your words with your opposite hand</i></p>	<p>Using a paperclip, eraser, coin, etc. measure different items around the house. First, estimate how many you think you will need of your unit of measurement to find the length of the object. Then check your estimate by measuring the object with your unit of measure.</p>	<p>Using sidewalk chalk, create an outline of a game to play, such as King Square or Hopscotch, or draw a Sensory Path (like the one on the school's pavement). Have your family and friends play your game or try your pathway.</p>	<p>Using items around the house and one egg, create a home for the egg that will protect it from cracking when dropped from somewhere high off the ground (i.e. stairs, playground, out the window with supervision, etc.). Before starting, make a plan. If your egg cracks, go back to the drawing board, make adjustments and try again.</p>	<p>Learn about the National Aboriginal Veterans Monument in Ottawa. Afterwards, download the printable activity and colour in the monument with symbolic colours and designs. Link is found under 'Weblinks' on the teacher page.</p>	<p>Take a bubble bath and put on your coziest pajamas. Tuck yourself into bed and make a list with your family about things you are grateful for.</p>	<p>Collect items from outside and create a piece of art with it. It can be a picture, a pattern, etc. Take a picture of your creation and send it to Miss. Poole.</p>
<p>Read a book to someone or listen to a book read by a family member. After reading, discuss how the story begins, the characters, the conflict, the most exciting event and the resolution/ ending of the book.</p>	<p>Write a journal entry for 30 minutes based off of the daily prompt found on Miss. Poole's Teacher Page or on a topic of your own choosing.</p>	<p>Practice skip counting (by 2's, 3's, 5's, 10's, 25's and 100's) and your multiplication/ mental math (doubles, doubles + 1, friends of ten, etc.) facts.</p>	<p>Create a Dance Routine or Obstacle Course.</p>	<p>Read through the 'Chemical Weathering' Experiment. Link found under 'Weblinks' on the teacher page. Follow along, test and observe!</p>	<p>Design and create a card thanking a local veteran for their service. Deliver your card to the nearest Royal Canadian Legion branch.</p>	<p>Clean your room. Make your bed, change your sheets, put away your clothes, throw out any garbage and dust. A clean room promotes better sleep!</p>	<p>Using pots and pans around the house, create your own drum set. Compose a song and perform it for your family.</p>
