

## Step-by-Step 1

### Lesson 1, Question 4

**Step 1** Fill in the missing numbers on this 5-wide hundred chart.

**Step 2** Count on by 2s.  
Circle these numbers with one colour.

**Step 3** Count on by 5s.  
Put an X on these numbers with a second colour.

What is the number pattern for the numbers that are both circled and have an X?

---

---

Write a pattern rule for these numbers.

---

Describe the pattern position for the circled numbers.

---

---

1	2	3		5
6	7	8	9	
11			14	15
	17		19	
21			24	
26	27			30
		33		35
36		38	39	
	42			45
		48		
51				55
56	57		59	
	62	63		
	67		69	
71			74	75
76		78		
	82			
86				90
96		98		100
